

Haiti Disaster Response

July 9, 2010

Dear Friends,

Fuller Housing has obtained land in Haiti on which to build modest houses for the 3 million Haitians, who are now homeless following the January earthquake. Houses to accommodate 15,000 will be constructed in Laogane (90% destroyed) and St. Phard (an alternate site north of Port-au-Prince, which was 60% destroyed). We have a team of volunteers going there in late Sept. to assist with the building.

Attached is a listing of tools and materials that are being collected at Mission Central, 5 Pleasant View Drive, Mechanicsburg, Pa. 17055. All tools must be at Mission Central by **July 31** in order to be packed into a shipping crate and sent to Haiti.

Also, cash donations may be made. Make checks payable to "The Presbytery of Carlisle", with the notation, "Haiti tool program." Send them to Presbytery of Carlisle, 3040 Market Street, Suite 1, Camp Hill, Pa. 17011. Thank you for your continued support of these relief efforts.

Bill Bauer, Coordinator
